We, the Paradise Palms Owners and Residents signing below, join in this Petition in Opposition to Proposed Tri-Trail Project Development, Proposed Sites 6 & 7, to voice our vehement opposition to the consideration of Potential Site Locations 6 and 7 for the expansion of Tri-Rail, currently being considered in connection with the Boca Raton II Tri-Rail Station Project Development And Environmental (PD&E) Study.

We are united in our objection to the construction of a Tri-Rail Station in our back yard, and in what has been designated and promised to remain as the environmentally protected Cypress Knee Slough Preserve.
