

PARADISE PALMS

Property Owners Association

We're installing speed radar signs in Paradise Palms to combat speeding.

- Radar signs are *very effective* at lowering vehicle speeds thanks to visual feedback to drivers.
- They are cost effective and far easier to install than speed humps, cameras, or other methods.
- They'll give us great data on how big our speeding problem is and what else we might need to do to make the neighborhood safe for all.

We need your help to do this!

- We approved use of funds in our annual meeting for the purchase an installation of 2+ signs
- You may be approached by Board Members seeking homeowner support in the selection of sign locations

PARADISE PALMS

Property Owners Association

Why are we doing this?

- It's our top priority to ensure the safety and wellbeing of our community.
- According to a recent survey, neighborhood speeding is an issue vitally important to our homeowners.
- Our property values are directly tied to the safety of our neighborhood.

82%
Of respondents

Agree "Reducing the speed of traffic in Paradise Palms is important to me"

70%
Of respondents

Report seeing vehicles traveling over the speed limit

STOP NEIGHBORHOOD SPEEDING

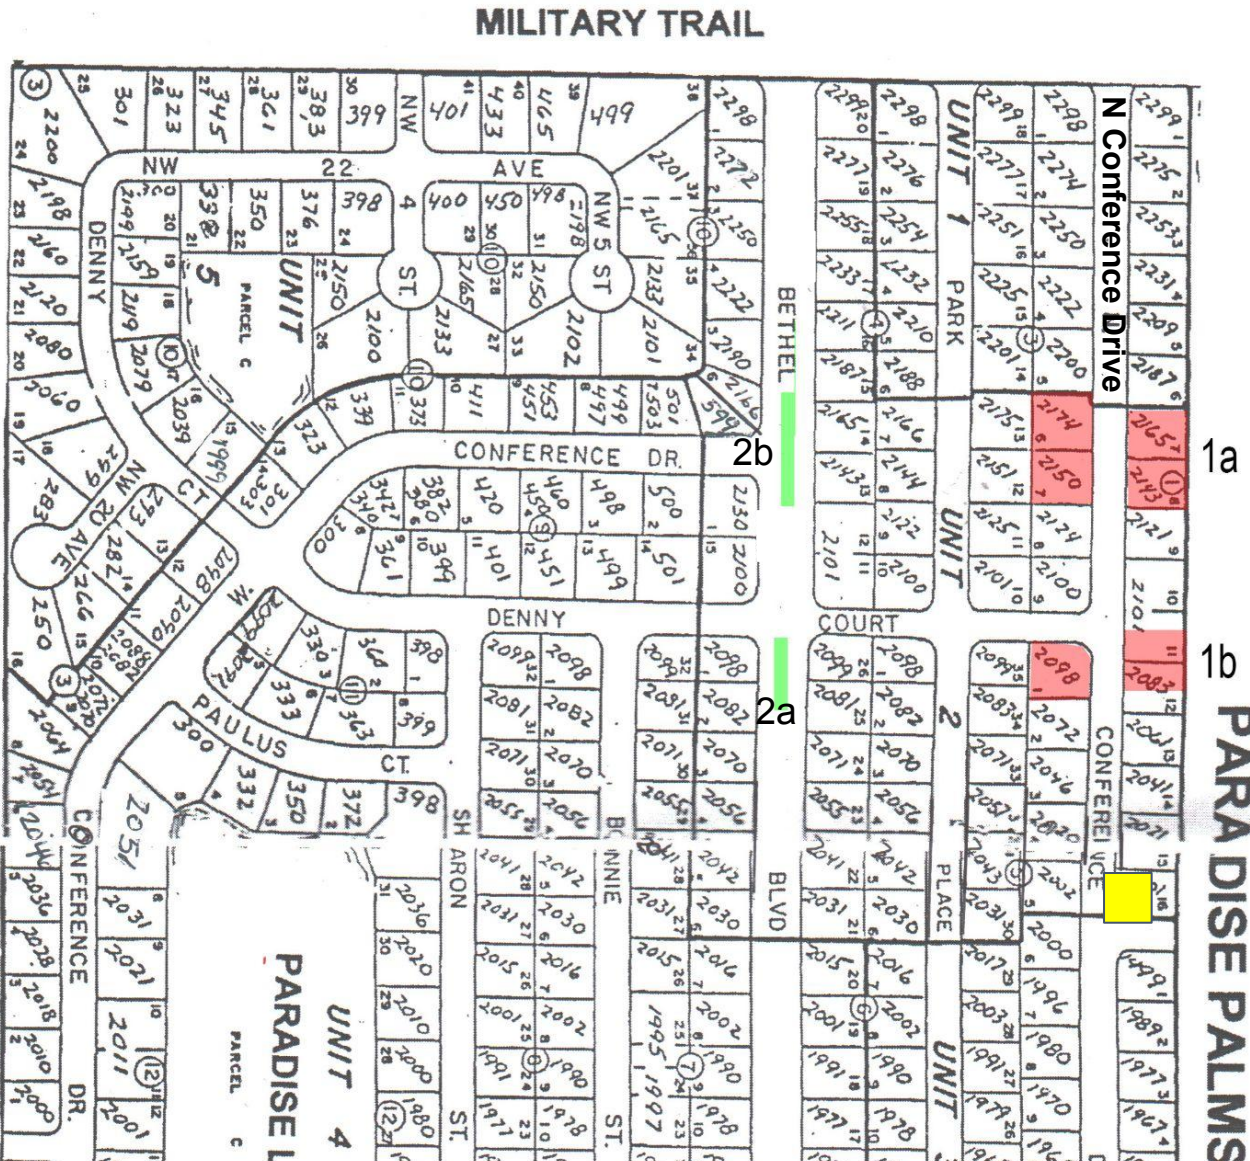

A little extra speed makes a big impact.

What else are we doing?

- Sharing info on how homeowners can combat speeding.
- Placing additional Slow Down signs throughout the neighborhood
- Working with Boca Raton Police Dept. on regular patrols
